

airco well®

997 Hygienic Cleaner for Pollen Filter Box

Special hygienic cleaner for the pollen filter housing and the adjacent air ducts. Provides a pleasant, fresh smell in the vehicle interior.

Properties

- ✓ Cleans the pollen filter environment and adjacent air ducts
- ✓ Slows down regrowth of microorganisms (e.g. fungi, bacteria)
- ✓ Environmentally safe and gentle
- ✓ Optimal wetting for intensive cleaning action

Application area

- ✓ Hygienic cleaning of the pollen filter housing and adjacent air ducts of air conditioning systems
- ✓ For every replacement of the pollen filter

Instructions

Refer to Service Information SI 997. When replacing the pollen filter, spray into the pollen filter housing and the adjacent air ducts of the air conditioning system and wipe out with a lint-free cloth. Spray probe for optimised application.
