## 957 Engine Interior Cleaner

TÜV-approved, solvent-free cleaner based on a high-quality, low-viscosity oil with high-performance cleaning agents. The cleaner protects the new engine oil against contamination from used oil residues.

- ✓ Free of volatile organic compounds (VOCs) and solvents
- ✓ Contains low-viscosity detergents to deliver outstanding cleaning results
- ✓ Removes oil sludge deposits from the engine oil system

Product description	Content	Article number	PU
Engine Interior Cleaner	400 ml	1102519	12 PCS

*Professional*

**153 Manual Gearbox System**

Long-term protection for gearbox oils. Can extend the gearbox service life. Promotes quiet, smooth running and exact shifting.

- ✔ Reduces wear by means of OMC<sup>2</sup> technology
- ✔ Stabilises viscosity
- ✔ Slows down oil deterioration

Product description	Content	Article number	PU
Manual Gearbox System	125 ml	1102290	12 PCS

*Professional*

**154 Leak Detector Oil/Fuel**

2-in-1 leak indicator for use in oil and fuel systems. Clear and effective identification of leaks in oil and fuel systems using UV pigment particles, even in dirty environments.

- ✔ 2-in-1 product for oil and fuel systems
- ✔ Indicator liquid with UV pigment particles
- ✔ Simple identification of leaks thanks to UV pigment particles

Product description	Content	Article number	PU
Leak Detector Oil/Fuel	75 ml	1104001	24 PCS

*Professional*  
**155 Motor System**

Active agent concentrate refill with OMC2 formula for safeguarding the full efficacy of the engine oil over the entire inspection interval. Suitable for all mineral and synthetic engine oils. Brings partially used engine oil active agents back to full fresh-oil performance. Reduced oil levels are compensated.

- ✓ Reduces the friction resistance due to the OMC2 formula
- ✓ Cleans the whole oil circuit up to the critical piston ring zone
- ✓ Unblocks resinsified piston rings

Product description	Content	Article number	PU
Motor System	300 ml	1102292	24 PCS

*Professional*  
**156 Oil Stabiliser**

Oil stabiliser with OMC2 technology for significant friction reduction. Minimises wear and high oil consumption. Active agent concentrate for safeguarding the engine oil viscosity class over the entire inspection interval. Conforms to standard API and CCMC synthetic oil standards.

- ✓ Safeguards the viscosity class up to the next oil change
- ✓ Protects and stabilises the lubrication film even under extreme loading thanks to OMC<sup>2</sup> technology
- ✓ Helps to reduce oil consumption

Product description	Content	Article number	PU
Oil Stabiliser	300 ml	1102314	24 PCS

## Professional

### 159 Silicone Sealing

Permanently elastic, high-temperature silicone sealant that leaves no marks for use in the automotive sector with improved recipe. For sealing water pumps, oil pumps, oil sumps and housing lids. Neutrally curing, non-corrosive. Extremely resistant to engine and gearbox oils, coolant and antifreeze.

- ✓ The only oxime silicone sealing compound without carcinogenic ingredients (no-Meko)
- ✓ Completely non classified (GHS/CLP)
- ✓ Highly resistant against engine and gearbox oil and coolant

Product description	Content	Article number	PU
Silicone Sealing	200 ml	1400454	12 PCS

## microflex®

### 955 Oil System Protection BN

Innovative engine and gearbox oil additive with nanostructural alpha-BN. Restores the surface of components in engines and gearboxes, thus compensating for increasing wear. Reduces noise and fuel consumption. Improves the corrosion protection provided by the oil.

- ✓ Improves the oil's lubricity
- ✓ Reduces noise and fuel consumption
- ✓ Improves the oil's effectiveness at protecting against corrosion and oxidation

Product description	Content	Article number	PU
Oil System Protection BN	300 ml	1102676	24 PCS

## TUNAP

### 1668 Gun Grip with Hose 323

Spare part for the product TUNAP 323.

- ✓ Plastic gun grip
- ✓ Flexible filler hose

Product description	Article number	PU
Gun Grip with Hose 323	1400240	1 PCS

## TUNAP

### 1669 Pageris gun grip for MP159

Gun-shaped replacement handle for the silicone sealing compound MP 159. The integrated protective cap protects the paste from drying out.

- ✓ Plastic pistol grip
- ✓ Resealable to prevent drying out
- ✓ Pinpoint application possible

Product description	Article number	PU
Pageris gun grip for MP159	1400242	1 PCS
