

TUNSEAL

2034 Special Cleaning Cloth

Practical double special cleaning cloth for cleaning and greasing the surfaces for direct glazing. The bag contains a cleaning cloth and a cloth for drying the adhesive areas.

Properties

- ✓ Packaging guarantees long-term durability
- ✓ Individually packaged for easy distribution
- ✓ Contains one cleaning cloth and one dry cloth
- ✓ Part of TUNAP window adhesive sets 2061 and 2062
- ✓ Formulation suitable for 2060 window adhesive

Application area

- ✓ For cleaning and degreasing surfaces on direct glazing

Instructions

Open the bag containing the TUNAP special cleaning cloth. Use the damp cleaning cloth to remove adhesive residue. It is then imperative that the adhesive areas are wiped with the dry cloth.
