

Human Technology® 900 Service Spray

Multifunction active spray with TUNAP Human Technology®. Loosens, lubricates, cares for and protects in the workshop and as a hobby. Maximum health compatibility through the use of NSF®-registered ingredients.

Your health is our top priority:

- ✓ Certified by NSF*
- ✓ Free of allergenic dyes and fragrances
- ✓ Free of harmful solvents
- ✓ Free of n-hexane that can damage nerves
- ✓ Free of toxicologically relevant indicators
- ✓ *NSF International, The Public Health and Safety Company™

Properties

- ✓ Prevents and eliminates creaking and squeaking noises
- ✓ Reduces friction and wear
- ✓ Protects against corrosion
- ✓ Excellent creeping properties
- ✓ Quickly penetrates rust and corrosion protection layers
- ✓ Protects electrical contacts
- ✓ Free of resin, acids and silicone
- ✓

Application area

- ✓ Long-term protection for all moving parts

Instructions

Shake well before every use. With the 2 in 1 spray head spray precisely or on wide areas. Spray an even coating from a distance of approx. 20 cm and leave the product to dry off briefly. Spraying the product from a short distance enhances the creep effect.

Notice

- ✓ If the product is to be used in the food-processing industry, only the minimum quantity that is technically necessary may be used.
- ✓ If the product is to be used as an anti-corrosive film, it must be completely removed before the device in question is used again.
- ✓ We have serviced your vehicle with SERVICE SPRAY MP 900 with Human Technology® and we recommend the residual amount for use with cars, motorbikes, at home, gardens, sport and hobby.
