

Professional 104 Car Interior Care

Cockpit protection and seatbelt care. Fully synthetic surface care with highly lubricating microfilm. Has an anti-static effect with UV protection even on plastic and rubber. The glide particles create smooth surfaces and also make seat belts move smoothly again. Silk-matt effect without greasy, adhesive or glossy residues.

Properties

- ✓ Reduces friction with grease-free and silk-matt anti-slip protection
- ✓ Cleans and effectively slows down absorption of new dirt and dust
- ✓ Prevents the greying and discolouration of plastics with UV protection
- ✓ Regenerates stressed plastics
- ✓ Compatible with all common plastic materials
- ✓ Does not leave behind any spots on textiles (observe spray distance!)
- ✓ Pleasant wild cherry fragrance

Application area

- ✓ Care of plastic parts in the cockpit
- ✓ Care of seat belts
- ✓ For noises, particularly in the vehicle interior (squeaking, cracking and creaking noises)
- ✓ Stiff window guides

Instructions

For seat belts and sensitive plastics maintain a safety clearance of 30 cm when spraying.
