

Professional 115 Universal Cleaner

Cleaner for maintenance, repair and assembly work in the skilled trade sector. Removes and dissolves oily dirt and grease on brake discs, clutch parts, gearbox parts, cables, tool parts etc. Abrasive dust is bound and washed away.

Properties

- ✓ Removes extreme contamination from oil, grease, resin, silicone and corrosion protection layers
- ✓ Binds abrasion dust for it to float away
- ✓ Dries quickly
- ✓ High spray pressure for optimised cleaning effect even in hard-to-reach areas

Application area

- ✓ For maintenance, repair and assembly of components subject to oily and greasy residues
- ✓ For brake maintenance and repairs
- ✓ For clutch repairs

Instructions

Spray the parts to be cleaned liberally.

Notice

- ✓ Do not spray on paint
- ✓ For sensitive parts e.g. plastic, check for material compatibility on a hidden area
