

evoclean®

5110 Professional Cleaner

Multifunctional cleaning concentrate guarantees excellent cleanliness for oil, grease, wax and similar contamination. Can be used for cleaning buildings, vehicles and machines. Suitable for cleaning machines; anti-foaming. Readily biodegradable.

Properties

- ✓ Breaks down fats, oils, dirt and deposits
- ✓ Mechanical processing is not needed in most cases
- ✓ Guarantees fast and effective cleaning
- ✓ Suitable for cleaning machines thanks to anti-foaming agent
- ✓ Readily biodegradable

Application area

- ✓ Buildings and plants
- ✓ Machine workshops
- ✓ Floors and walls
- ✓ Interior and exterior of vehicles
- ✓ Tool machines
- ✓ Processing equipment

Instructions

Add concentrate directly to the wash water or spray on in diluted form, then rinse off with clear water.

Dosing

For normal contamination 1:10 to 1:30, for stubborn contamination (e.g. Engine wash) 1:5, dosing in high-pressure cleaners to 1:200 possible.

Notice

- ✓ At a suitable place carry out a preliminary test for material compatibility
- ✓ Protect from frost
