

## airconlogic® 589 Air Sanitiser

Alcohol-based cleaner with odour-absorbing formula for various vehicle interiors. Leaves behind a fresh, pleasant mint fragrance with no residue. Free from harmful perfume oils.

### Properties

- ✓ Reliably eliminates unpleasant odours in the vehicle interior
- ✓ With odour-absorbing formula
- ✓ Fine active agent distribution - ideal for hard-to-reach areas
- ✓ Leaves no residues behind
- ✓ Free from harmful perfume oils
- ✓ Innovative, environmentally friendly propellant free from R134a
- ✓

### Application area

- ✓ For odour elimination in the vehicle interior
- ✓ Valeting second-hand cars

### Instructions

Position the can centrally in the interior. Switch the air conditioning system to circulating mode. Press spray head nozzle until it clicks into place. Close the vehicle doors. Let the air conditioning run for 10 minutes in circulating mode. Ventilate the interior of the vehicle well after use.

### Notice

- ✓ Does not replace professional hygiene cleaning or flushing of the air conditioning system evaporator.
