

TUNAP Sports **TS550 After sun**

The after sun lotion relaxes and re-energises the skin after sunbathing. A thin foam film forms when applied. The nourishing ingredients also provide the skin with a relieving repair effect. When absorbed into the skin, it produces a noticeable, pleasant cooling effect.

TUNAP SPORTS quality promise:

- ✓ No mineral oil
- ✓ No microplastics
- ✓ Dermatologically tested
- ✓ Effective and economical protection
- ✓ Intensive care with no silicone
