Product Information

Human+Technology®

900S Human Technology starter set

The TUNAP Human+Technology® range offers optimum maintenance and lubricant quality for daily needs. The starter set also includes a workshop basket that is suitable for all products.

Properties

- ✔ Our aspiration is to develop products that meet the highest possible health standards but still provide top quality in the technical application. Contact with the skin, eyes and airways must not pose a health risk. For this reason, TUNAP Human+Technology® is used in the vehicle interior.

Application area

- ✔ Lubrication, protection, removal or cleaning
- ✔ Health risk is drastically reduced thanks to the use of Human+Technology®.
- ✔ Therefore, particularly suitable for use in vehicle interiors.
