

TUNAP Sports **TS540 Sun protection SPF 50**

The sun protection supports the protective function of the skin. When applied, a fine, completely transparent film is produced, which dries very quickly. Subsequent rubbing is not necessary. The product is water-resistant, sweat-resistant and offers high UV protection with factor 50 (UV-A and also in the UV-B range).

TUNAP SPORTS quality promise:

- ✓ No mineral oil.
- ✓ No microplastics.
- ✓ Dermatologically tested.
- ✓ Effective and economical protection.
