

TUNAP Sports **TS560 Hand and Surface Disinfectant**

The TUNAP SPORTS Hand and Surface Disinfectant is especially effective against enveloped viruses and bacteria. The simple spray-on application makes disinfection very easy, fast and economical. The maximum effect is achieved just 30 seconds after application.

TUNAP SPORTS quality promise:

- ✓ Effective against enveloped viruses and bacteria after just 30 seconds.
- ✓ Dermatologically tested effective protection and care without silicone.

Properties

- ✓ Disinfects, cleans and protects the body from harmful bacteria and viruses.
- ✓ The simple spray-on application makes disinfection very easy, fast and economical.
- ✓ Leaves the skin feeling clean and safe after use.

Application area

- ✓ For hygienic disinfection of hands and surfaces.

Instructions

1. Dispense a suitable amount of disinfectant (approx. 3 ml) into dry hands or on the surface to be cleaned.
2. Make sure the hands are fully wetted with the product.
3. Rub in carefully and thoroughly (approx. 30 seconds).
4. Keep the hands or surface moist throughout the application time.

CAUTION: Pay special attention to the fingertips, palms, thumb creases and areas between the fingers when disinfecting hands.

Notice

- ✓ Cannot be used on acrylic glass and other alcohol-sensitive surfaces, varnishes, oiled wooden surfaces etc.
- ✓ Effective against Corona SARS-CoV-2.
- ✓ Formula in accordance with the general ruling of the German Federal Institute of Occupational Safety and Health (BAuA) dated 20/03/2020.
- ✓ For professional use only.
