Product Information

TUNAP Sports
TS260 Chain oil Ultimate

The test winner! More than 1 year of development work in the laboratory and extensive tests with BORA-hansgrohe, the German national railway team, as well as the FES and our partners Ghost, Rotwild and Focus! The result: We have developed an oil that is unbeatable in terms of power loss, while at the same time saving measurable and confirmed time.

BDR Bund Deutscher Radfahrer e.V. TUNAP SPORTS
OFFIZIELLER AUSRÜSTER

OMC2

TUNAP SPORTS quality promise:

- ✔ No allergenic fragrances.
- ✔ No n-hexane or aromatics.
- ✔ Without damaging solvents.
- ✔ As environmentally friendly as possible.
- ✔ As safe for humans as possible.
- ✔ No microplastics

Properties

- ✔ Special additives prevent corrosion.
- ✔ Best possible wear protection.
- ✔ High creepage and adhesion.
- ✔ The noise of the chain is significantly reduced.
- ✔ Very economical.
- ✔ Precise application.
- ✔ E-bike ready.

Application area

- ✔ The chain oil is designed for lubricating the chain, the cassette and/or the rear derailleur.
- ✔ After repairing, maintaining or cleaning the bicycle.

Instructions

1. Thoroughly clean the chain using the drive cleaner to remove any residual oil and dry with a cloth.
2. Shake the chain oil briefly and place the needle dropper on the chain.
3. Press the bottle lightly and, by turning the pedals backwards, wet each chain link with a drop until the chain has performed a complete rotation.
4. Allow the chain oil to work (preferably overnight).
5. Before the next trip, wipe the chain with a cloth and remove any excess oil.

Notice

- ✔ Professional tip: For optimal long-term chain maintenance: First, lubricate the chain using TUNAP SPORTS chain oil, then use chain wax to seal.
