

TUNAP Sports **TS250 Chain oil eco**

The TUNAP SPORTS eco chain oil consists of over 90 % renewable raw materials that are completely biodegradable. This is confirmed by the highest European environmental standard, the EU Ecolabel. Thanks to its good creep properties, the oil lubricates the chain and protects against corrosion. The oil is also free from fragrances and dyes.

TUNAP SPORTS eco line

- ✓ Biodegradable
- ✓ >90 % renewable/natural raw materials
- ✓ Sustainable packaging

Properties

- ✓ Biodegradable in accordance with EU Ecolabel no.: DE/027/309
- ✓ Particularly environmentally friendly
- ✓ Dropper bottle made from 100 % recycled material
- ✓ Free from fragrances and dyes
- ✓ Good creep properties
- ✓ Optimally lubricates the chain
- ✓ Protects against rust and corrosion
- ✓

Application area

- ✓ For lubricating the chain, cassette and rear derailleur after repairing, maintaining or cleaning the bicycle.

Instructions

1. Thoroughly clean the chain using TUNAP SPORTS drive cleaner to remove any residual oil and dry with a cloth.
2. Shake the eco chain oil vigorously.
3. Gently squeeze the dropper bottle and apply the oil to the chain whilst turning the crank arm until all the chain is sufficiently covered with chain oil.
4. Leave the chain oil to take effect (preferably overnight).
5. Before the next ride, wipe the chain with a cloth to remove the excess oil.
