

airco well®

## 998 Hygienic Cleaner for Pollen Filter Box

The airco well® Pollen Filter Box Hygienic Cleaner is free of allergenic fragrances and dyes and ensures, with use of the special 19050 Pollen Filter Box Cleaning Tool, optimal cleaning of the pollen filter box during the annual pollen filter replacement. VDI/ZDK Guideline 6032 recommends annual cleaning of the vehicle A/C system.

### Properties

- ✓ airco well® 998 Hygienic Cleaner for cleaning the pollen filter box and removing contaminants, harmful bacteria, pollen, invisible germs and fungi
- ✓ Verified conformity with all treated A/C system surfaces
- ✓ Meets the requirements for cleaning pollen filter housings in accordance with VDI/ZDK Guideline 6032

### Application area

- ✓ For cleaning the pollen filter box every time the pollen filter is changed in accordance with VDI/ZDK Guideline 6032

### Instructions

**Attach the cloth:** Pull the cleaning cloth evenly over the airco well® tool. Pull the holes at the bottom end of the cloth over the hooks on the pollen filter box tool to prevent the cloth from slipping.

**Shake the airco well® cleaner:** Shake the 998 Hygienic Cleaner well before use (15-20 seconds).

**Application of the cleaner:** Hold the pollen filter box tool with the cloth hanging vertically downwards and insert the 998 can. Use your thumb to push the cartridge fully into place to release the cleaning foam. The specially developed cleaning foam starts to work immediately.

**Clean the pollen filter housing:** Quickly insert the 19050 Pollen Filter Box Cleaning Tool with the 998-soaked cleaning cloth into the pollen filter housing and wipe it out evenly.

**Dispose of the cloth:** Dispose of the cloth after each use.

For cleaning in accordance with VDI/ZDK Guideline 6032, chemical-mechanical cleaning of the evaporator with airco well® 994 is necessary.

### Dosing

For cleaning a pollen filter box.

### Notice

- ✓ Read SI 998 before use.
- ✓ The 19050 Pollen Filter Box Cleaning Tool is required to apply the product - this is available in the e-shop.
- ✓ A/C system cleaning in accordance with VDI/ZDK Guideline 6032 - only in conjunction with cleaning of the pollen filter box using airco well® 998 and cleaning of the evaporator using airco well® 994.
