Product Information

Human+Technology®
909 Interior Cleaner+

Multi-functional interior cleaner with excellent cleaning performance for plastic, glass and textiles - without leaving streaks on glass surfaces. Particularly convenient to use due to its foaming properties and fast working time. The original appearance of plastic surfaces remains unchanged, unpleasant odours are reliably neutralised.

Human+Technology®

- ✔ High level of industrial safety and user protection since it is free from neurotoxic n-hexane, potentially allergenic fragrances and dyes, and harmful solvents
- ✔ No indicators of toxicological effects
- ✔ NSF A1 registered
- ✔ ISO 21469, Kosher and Halal certified
- ✔ Formula free from silicone oil, PFAS and microplastics
- ✔ Better for people and the environment due to the use of fewer potentially harmful ingredients

Properties

- ✔ Foam cleaner with special surfactants for streak-free cleaning
- ✔ Very good loosening effect, including of insect residue, due to optimised flash-off behaviour
- ✔ Reliable removal of oil and grease from textiles, plastics, leather and painted surfaces
- ✔ Free from harmful perfume oils
- ✔ Excellent material compatibility - the original appearance of plastic surfaces remains unchanged, e.g. dashboard
- ✔ No streaks left on glass surfaces

Application area

- ✔ For cleaning plastic surfaces, upholstery, glass surfaces, painted plastic surfaces and leather

Instructions

Refer to the product information before use. Shake the can well before use, spray the surfaces to be cleaned and allow to take effect briefly.

Notice

- ✔ When using the product in the food processing industry, the treated surface must be cleaned with drinking water after the product has been applied.

NSF
Nonfood Compounds A1

n-hexane free
