

Professional 1040 Multifunction Oil

Universally applicable multifunctional oil for five areas of application: lubricant, rust remover, cleaner, corrosion protection and contact spray.

Properties

- ✓ Displaces moisture
- ✓ 5-in-1: Lubricates, maintains, protects, cleans and dissolves rust
- ✓ Contains PTFE for dry lubrication

Application area

- ✓ Can be used universally throughout the maintenance cycle.
- ✓ Thanks to its water-displacing properties, this product is ideally suited to application on the bodywork.

Instructions

Shake can well before use. Spray parts to be cleaned or protected from approx. 20 cm away.
