5844 Cleaning Paper White

White absorbent cleaning paper from recycled cellulose. Three-layered, pressed and glued.

Properties

- ✓ Very absorbent and strong
- ✓ High-quality, bobble and wood free
- ✓ Very high-yield due to high suction capacity
- ✓ Fast and effective cleaning

Application area

- ✓ For removing cleaning liquids
- ✓ For polishing cleaners on smooth surfaces, particularly glass surfaces

Instructions

Clamp in suitable workshop paper holder and separate at the perforated areas.
