Product Information

1444 UV LED Torch

Handy UV pocket torch for use with TUNAP leak detection products. UV pigment particles are visible under ultraviolet light, meaning leaks in different components can be localised easily and reliably.

Properties

- ✔ Localised UV pigment particles, also in dirty environments
- ✔ With convenient carry strap
- ✔ Nine high-performance UV LEDs
- ✔ Three AAA batteries required

Application area

- ✔ For use with TUNAP leak detection products

Instructions

Use three AAA batteries and switch on using the push button on the end.
