

18303 Filling adapter for 582

Plastic adapter for mounting and applying the 582 A/C system agent.

Properties

- ✓ Transparent plastic adapter
- ✓ Simple application of the 582 A/C system agent

Application area

- ✓ Plastic adapter for 582

Instructions

Select the appropriate adapter for the refrigerant and screw on to the plastic adapter. Carefully push the A/C system agent can into the adapter until it snaps into place. Connect the system on the low-pressure connection of the air-conditioning unit (note SI 582) and fill the air-conditioning unit with the agent by pressing the can into the plastic adapter.
