Product Information

TUNAP Sports

TS730 Ultra-Fine Fibre Cloth

The TUNAP SPORTS Microfibre Cloth is the ideal companion for bicycle care. The high-quality finish makes it extremely robust and absorbent.

TUNAP SPORTS quality promise:

- ✓ The highly robust cloth can be machine washed at 60 °C.
- ✓ The microfibre cloth features a high-quality TUNAP SPORTS woven logo.

Properties

- ✓ Very absorbent microfibre cloth suitable for all applications on the bicycle.
- ✓ Ideal for drying the frame after cleaning or removing excess oil after chain lubrication.
- ✓ With an optimum size of 40 x 40 cm, the cloth is lightweight and therefore ideal for use on the go.

Application area

✓ Ideal for drying the frame after cleaning or removing excess oil after chain lubrication.

Instructions

- 1. Use to dry or polish surfaces.
- 2. Machine wash at 60 °C and reuse.
